

Request for Authorization to Operate Non-Road Diesels

Instructions: All non-road diesels operated at NASSCO facilities must be approved by the Environmental Engineering Department prior to the start of the job. Each entity wishing to operate non-road diesels must submit a completed and signed copy of this form to the NASSCO Environmental Engineering Department at envreports@nassco.com. Operation of non-road diesel engines may not begin until authorization has been granted. For questions, contact 619-544-7506.
